

## 男子個人戦トーナメント表（第1ブロック）

The diagram illustrates the 2019 All Japan University Baseball Championship tournament. It features 64 teams, each represented by a box containing the team name and its university. The teams are listed on the left, grouped by round. The bracket shows the progression from Round 1 to Round 3, with winners advancing and losers being eliminated. The final winner is Fukuoka University of Education (福岡教育大学).

**Round 1 (1st Round):** Teams are numbered 1 to 64. The bracket shows the first round of competition, with winners advancing to Round 2 and losers being eliminated. The teams are listed in groups of 8, with the first team in each group being the winner of the first round.

**Round 2 (2nd Round):** The winners of Round 1 advance to Round 2. The bracket shows the second round of competition, with winners advancing to Round 3 and losers being eliminated. The teams are listed in groups of 8, with the first team in each group being the winner of the second round.

**Round 3 (3rd Round):** The winners of Round 2 advance to Round 3. The bracket shows the third round of competition, with winners advancing to the final and losers being eliminated. The teams are listed in groups of 8, with the first team in each group being the winner of the third round.

**Final:** The winners of Round 3 advance to the final. The final is played between Fukuoka University of Education (福岡教育大学) and Fukuoka University of Education (福岡教育大学). Fukuoka University of Education (福岡教育大学) wins the championship.
